USGA rules govern all play with following local rule: Any ball striking a power line on Hole #8 must be replayed with no penalty.

Pace of Play

In order for all golfers to enjoy their rounds, each group must keep up their own pace of play. Rounds should take no more than 4 hours and 20 minutes. On busy days our Rangers must enforce this pace.

Thank you for your cooperation.

Etiquette

Proper golf attire must be worn at all times.

Players are reminded to please repair their ball marks on the greens, fill divots with sand mixture, and to rake bunkers.

Please observe cart rules. Line across fairway by greens indicates carts must return to paths.

Do not enter or play from residential property.
